NAZI WAR CRIMES DISCLOSURE ACT
DATE 2008

~~In reference to Disputed Report 1938~~
I received the files on
subject at DCLEAN. The documents consist of
CSDIC Preliminary Interrogation Report 150,
dated 22 June 1946, and final report 85,
dated 27 July 1946, of subject. These reports
were checked with our form XX and the
following discrepancies were noted:

^{in 1938} In the CSDIC report subject stated
that he joined the LN ~~Regt~~ 12 at Frankfurt/M
and served with this unit on the "Westwall"
in 1939-40. On the form XX, subject stated
that he joined the German Air Force in 1939
and after a short training period transferred
to OKW - ~~the~~ High Command) as an
analyst of enemy propaganda and east-
asian questions.

On both forms, subject related his
academic mission to Japan ^{in 1941}. But on the
CSDIC he states that he was transferred
~~back to OKW~~ and on the form XX he
points out that the transfer was at his
~~own request~~ back to Germany and
called up as a ~~Help~~ Corporal, with the
~~in Regt~~ 123 at Beauville, France; on the
form XX this duty is not mentioned. That
he closed out his wartime service in
an element unit (ABT II ++) and served
with the 11th ~~unit~~ which is noted on both
forms. His various capacities however ~~are~~ are

shaded in the CSBIC to show insignificance
and in the form xx to show responsibility.
which differences I interpret as signs of
the Times (1946 no. 1952). The subject realises
the change of position and is reviewing
his wartime German activities accordingly.
